NOTE

SUBJECT :-- Continuance of Mr. M.N.Narayana Iyengar's services as - - Peshkar of H.H. the Mysore Maharaja's Charities at Tirupati.

-----:0:------

I beg to state that the appointment of Mr. Narayana Iyengar as Peshkar of the Mysore Charities at Tirupati for a period of 2 years on the same pay that he was then getting as Sanitary Inspector of Bagepalli, Viz., Rs. 40/- plus 10/- was sanctioned in Government Proceedings No. 1680-1 / M.F.378-17-2 dated 26th January 1918. The period of deputation will expire on 15th February 1920 and the question of Mr. Narayana Iyengar's reversion to the Sanitary Department or his retention as Peshkar has to be decided now.

2. During the period of his deputation Mr. Narayana Iyengar has worked - - satisfactorily and my predecessor Mr. Srinivamudu Iyengar also has placed on - - record that he was satisfied ~~into~~ with his - -

his.

his work. The Official is a qualified Sanitary Inspector and has also some knowledge of Elementary Engineering and these qualifications have stood him in good stead at Tirupati where ~~this~~ there is a large influx of pilgrims throughout the year.

3. I cannot just now think of another official who can be expected to manage the charities as efficiently as Mr. Narayana Iyengar if it is decided to revert him to his permanent appointment. The Deputy Commissioner of the Kolar District to whom a communication had been sent states that Mr. Narayana Iyengar would have drawn Rs. 56/- in the grade 50-2-60 as Sanitary Inspector under the revised scheme if he had continued there. I am of opinion that Mr. Narayana Iyengar should be given the same pay as he would rise to in his permanent appointment in the Sanitary Department and that he should not financially suffer on account of his deputation. More-over, it is very necessary that the Peshkar of the Tirupati charities should be a person of some status as he has not only to control feeding and various services in the temple involving an expenditure of more than Rs. 13,000/- but has also to be in intimate touch with the Mahant and the Officers attached to the Tirupati temples drawing high pay. The - - duties and responsibilities of the Office are no doubt as much as if not greater than those of the similar Offices at Nanjungud and Melkote, the Peshkars of which are paid Rs. 50/- to 60/-.

4. Unfortunately the finances of the Tirupati Charities are not in a sound condition and the present allotment is inadequate to meet the growing needs of the charities. Owing to high prices of provisions and the consequent cost of living etc., a further revision as regards the pay of the establishment and the allotments for santarpane, akhanda etc., is absolutely necessary and the matter is under consideration separately.

5. Pending the submission of definite proposals in these respects, I beg to recommend that the ~~ex~~tention of the services of Mr. Narayana Iyengar till the end of June 1920

may be sanctioned in the first instance and that he given a pay of Rs. 56/- in grade 50-2-60 in addition to the Dholly allowance of Rs. 10/- a month he is already getting. The extra cost, viz., Rs.16/- a month which this proposal involves may as a tentative measure be met from the sum of Rs.500/- reserved in the revised scale (Vide G.O.No.800,803/ M.F. 224-11-4 dated 11-10-16) for expenditure for periodical repairs etc.,

6. I solicit early orders of Government in the matter.

NOTE

SUBJECT Peshkar of His Highness's the Maharaja's Charities at Tirupati.

---

The work of conducting the Chattram and the other Charities established in Tirupati has been entrusted to a Peshkar to whom a pay of Rs 40/- plus a Dholi allowance of Rs 5/- has been provided in the sanctioned scale of expenditure.

2. On the death of Peshkar Srirangachar in November 1917, his brother Mr. Narnaiengar who was Sanitary Inspector of Bagepalli was appointed to the office for a period of two years on an allowance of Rs 10/- instead of a Dholi allowance of Rs 5/- in addition to his pay of Rs 40/- on the consideration that as Sanitary Inspector he was drawing 40/- plus Rs 10/-
The term of 2 years expires on the 15th. Inst.

3. The pay of Sanitary Inspectors has since been considerably raised - the grades extending from Rs 25/- to 80/- with a bicycle allowance of Rs 10/- and it has been ascertained from the Deputy Commissioner of the

GPB—600—17 2 14

(0

Kolar Dt., that under the revised scale Mr. Narayana Iyengar would be entitled to get a pay of Rs 56/- in grade 50-2-60 should he revert as Sany. Inspector. It will be indeed hard to retain Mr. Narayana Iyengar as Peshkar on Rs 40/- plus Rs10/- to the prejudice of his pros-pects in his permanent appointment.

4. But at the same time, I may submit that it is not easy to find at once a competent person to take the place of Mr. Narayana Iyengar at Tirupati. The Peshkari is full of responsi-bilities and the Peshkar should be an official of some experience and standing so as to be able to deal with the Officers of the Mahant's establishment and carry on the affairs of the Mysore Charities to the appreciation of the many distinguished visitors to Tirupati besides attending to the needs of the numerous pilgrims who resort to H. H. the Maharaja's Chattram for accommodation, meals and other help. The pay of Rs 40/- plus 5/- now provided for the office is very poor and is not likely to at-tract any capable official-particularly as Tirupati is a place not reputed for good health and no one would like to stay there long.

Considering that the Peshkar has also to keep the chattram buildings in good repair and further to attend to sanitary mea-sures during the out-break of cholera and other epidemics one with a knowledge of some engineer-ing and sanitation, is decidedly preferable for the Peshkar's work; and it is also desirable that the Peshkar should be an official in the service of the Government. ~~who~~ might think that the Sanitary Inspector may with advan-tage be selected from among the Sanitary Ins-

Kolar District.

Inspectors in service, changing the official periodically in the interests of the service.

I therefore propose to raise the pay and prospects of the Peshkari to a scale on a par with ~~those~~ these extended to Sany. Inspectors fix -ing the minimum at Rs.40/- and the maximum at Rs.80/- with a Dholi allowance of Rs.10/-.

As the allotment of the Charities is very limited, I am considering the financial aspect of the question and shall submit my proposals regarding the Peshkar and other establish -ment very shortly.

5. In the meanwhile I beg leave to request a reconsideration of Mr.Narayana Iyengar's case. He possesses all the necessary qualifications and has discharged his duties satisfactorily; his term of appointment might therefore be extended by one year. I would further recommend that during this period he be given the same pay and allowance that he would get if he worked in the Sanitary Department.

Pending a formal revision of the pay of the office, the extra cost may be met from the sum of Rs.500/- reserved for periodical repairs.

6 I had originally thought that an extension of his service till the 30th. June 1920 would be enough to meet present requirements but I find now that an extension of his services for ~~another~~ a year is absolutely necessary.
